Bright Sparks Session for families of Y4, Y5 & Y6 pupils.

The Family Learning team at Cardiff and Vale College invites you to join us for 'Bright Sparks' on Friday, 20th September at 9am. Enjoy a fun-filled workshop with your child, where you'll use your science and maths skills to build newspaper bridges and test their strength!

You can also learn more about 'Bright Sparks' at All Saints Primary for the Autumn term. This event is FREE, with tea and coffee provided, and is open to parents, grandparents, carers, and guardians.

Spaces are limited, so be sure to secure your spot for this exciting activity!

To register, please click on the following link or scan the QR code on the Bright Sparks poster - <https://forms.office.com/e/VPimzAimLA>.

Parking Reminder

Please can I remind all parents to take extra care when parking within the residential areas when picking up/dropping off your child.

We have already had issues raised by residents including parents obstructing driveways, mounting pavements to park and incidents of speeding. As well as being inconvenient for residents, these issues pose a serious risk to everyone.
