Therefore, please confirm by Thursday 3<sup>rd</sup> October if you would like to formally be involved in the association. There will be an AGM to confirm the appointments on Friday 4<sup>th</sup> October. As part of the rebrand the children will be invited to support the PTA by creating our new logo. Details of this competition will be with you in due course. Please see the PTA Newsletter on page 4 of this newsletter for more information.

## Nasal Flu vaccine

The School Nursing Immunisation Team will visit school on **08/11/2024** to offer children a nasal spray flu vaccine. The NHS recommends that your child has a flu vaccination every year. Please complete the consent form as soon as possible and no later than 72 hours before the day of the session.

Any late forms may result in your child not receiving the nasal flu spray at school and an offer of a catch-up clinic will be made. To access the consent form, please use the link below or scan the QR code with the camera on your mobile phone to access the E-Consent Form.

It's very important to protect your child from flu this winter to make sure they stay as healthy as possible. The best flu vaccine for most children is a nasal spray. This is the vaccine that will be given on the day.

If you want more information about flu vaccination for children, please contact the School nursing Immunisation team, or visit [phw.nhs.wales/flu vaccine](https://phw.nhs.wales/flu vaccine)

An animated video for primary school aged children about flu and the flu vaccine is available at: [phw.nhs.wales/AboutTheFluVaccine](https://phw.nhs.wales/AboutTheFluVaccine)
