STEM Week 25

What an incredible STEM Week we have had at All Saints! The children have been immersed in a variety of exciting, hands-on learning experiences, sparking curiosity and enthusiasm for Science, Technology, Engineering, and Mathematics.

Reception to Year 3 had a fantastic time at the *Science Made Simple* workshop, where they explored different modes of transport and the forces that make them move.

Year 3 and Year 6 also got creative working with Maisie on a special baking session that combined science and delicious treats. A huge thank you to Dow Silicones, who taught the children about the pH levels in sugary sweets, helping them understand the science behind their favourite treats. We were also delighted to welcome *Dan the Chilli Man*, who shared his expertise in the world of chillis—an experience enjoyed by both children and their families - <https://www.chilliotv.co.uk>

Year 6 had a particularly exciting opportunity to explore the workings of the heart, even taking part in a simple dissection with Miss Jones. Meanwhile, Dr. Ben Mead, a parent and optometry expert, brought in specialist equipment, giving students an interactive experience to learn more about the science of sight.

We are incredibly proud of all the engagement, curiosity, and learning that has taken place throughout the week. None of this would have been possible without the hard work and dedication of our amazing staff, who went above and beyond to make STEM Week such a fantastic experience for our pupils. A special mention must go to Miss Jones, who put so much effort into organising this incredible week of learning.

This week has been an inspiring reminder of just how exciting STEM can be, and we hope it has sparked a lasting love of science, technology, engineering, and maths in our children. We can't wait to see what discoveries our young scientists make next!

Parent & Carer Consultation Evenings

As I hope you are aware, the dates for the Parent Consultation Evenings this term are Monday 31st March & Tuesday 1st April.

The appointments are no more than 10 minutes long and will be carried out in person in the school hall. We will be using the same system as we have used over the last few years.

You will be able to book your own appointment time for your child / children online, but the actual appointment will be conducted in person.

If you would like to book an appointment, please do so via the following link -

<https://allsaintspsbarry.schoolcloud.co.uk>

**The booking appointment window will be open from
6pm on Monday 24th March & will close @ 12pm on Friday 28th March.**

If you have any issues booking an appointment, please contact the main office.

Red Nose Day

We are delighted to be celebrating Red Nose Day on Friday 21st March 2025, marking an incredible 40 years of this wonderful fundraising event! Red Nose Day is all about coming together as a community, having fun, and making a real difference in the lives of people both in the UK and across the world. Whether it's through joke-telling, cake-baking, t-shirt-wearing, or simply sharing a laugh, every small act of kindness contributes to supporting those in need.

To join in the fun, we are inviting all pupils to come to school in non-uniform (red noses optional) if they wish. This is a great chance for our children to express themselves while also raising awareness for a fantastic cause.

If you would like to make a donation, we will be sharing a link on the day where contributions can be made directly to support Comic Relief's incredible work. Every penny raised helps to change lives by funding vital projects that tackle poverty, mental health struggles, homelessness, and much more. Thank you for your continued support, and we look forward to seeing everyone getting involved in this special celebration.

Dates for the Diary

Tuesday 18th – Friday 21st March - Y6 Cycling Standards Training

Wednesday 19th March - Year 5 Trip - Llandaff Cathedral - Pilgrimage
