## **Landing Afternoon**

We were absolutely delighted to welcome over 150 parents, carers, governors, and family members into school for our Landing Afternoon. The atmosphere throughout the school was full of excitement and pride, as the children took centre stage to showcase the amazing learning they've been doing as part of their Spring Term topics.

Landing Afternoons are a key part of our curriculum at All Saints, giving children the opportunity to reflect on their learning journey and celebrate their achievements with the people who matter most to them—you! It was wonderful to see so many of you engaging with the different activities, and genuinely enjoying spending time in the classrooms. We would like to say a huge thank you to all our staff, whose dedication and creativity made the afternoon so special. From preparing resources and transforming classrooms, to encouraging every child to share their learning confidently, our team worked incredibly hard to make the event a success.

We were also delighted to be joined by two very special guests—Ben Bowns and Sam Duggan from the Cardiff Devils. Their visit brought an extra buzz to the afternoon, and they spent time chatting with children and families, posing for photos, and sharing words of encouragement with our pupils. We're incredibly grateful to them both for taking time out of their busy schedules to join us. The children are now looking forward to their upcoming 'Take Off Day', where they will help shape their next topic by sharing ideas, questions, and areas they are curious to learn more about. As always, pupil voice is at the heart of our learning, and we can't wait to see what exciting ideas they come up with.

If you weren't able to join us, we've uploaded a selection of photos from the Landing Afternoon to our school website. Do take a look and see just how special the afternoon was:

Thank you once again for your continued support—it's what makes the All Saints community so special.
