## **Parents and Carers Consultation Evenings**

We would like to extend a heartfelt thank you to all the parents and carers who attended our consultation evenings this week. It was a pleasure to welcome you into school and share the wonderful progress your children are making.

These evenings are such a valuable opportunity for us to celebrate your child's achievements, discuss their next steps in learning, and strengthen the important partnership between home and school. Your ongoing support makes a real difference to your child's educational journey, and we are truly grateful.

We hope you found the discussions informative and reassuring, and that you left feeling proud of all your child has accomplished so far this year. If you have any further questions or would like to follow up on anything discussed, please don't hesitate to get in touch with your child's class teacher.

Thank you once again for your time, encouragement, and commitment to working with us to help every child thrive.

## **Free Breakfasts at Morrisons Café in Barry – Supported by Kellogg's**

We're pleased to let you know that, starting Monday 7th April, families can enjoy a free bowl of cereal and a piece of fresh fruit at the Morrisons Café in Barry, thanks to the *Kellogg's Breakfast Club* initiative.

There's no age limit, and customers are welcome to visit on multiple days over the three-week period – while stocks last. To claim your free breakfast, simply mention **Kellogg's Breakfast Club** when you order.

With 50,000 free breakfasts available nationwide, this is a fantastic opportunity for families to enjoy a healthy start to the day – completely free of charge!

## **Packed lunch reminder**

Please do not put nuts in packed lunches or snacks, as there are children in school who have specific food allergies. Could you also ensure that if your child has grapes, that they are cut up into small pieces to prevent a possible choking hazard.

## Parking Reminder

Please can I remind all parents to take extra care when parking within the residential areas when picking up/dropping off your child.

We have had more issues raised by residents including parents obstructing driveways, mounting pavements to park and incidents of speeding.

## School Car Park

Please can I remind everyone not to walk across the school car park at the start and end of the school day. We sometimes have vehicles entering and leaving the car park at these times and for your own and child's safety please use the path provided.
