## **End of Year Message**

As we come to the end of another busy and rewarding school year at All Saints, I would like to take this opportunity to reflect on everything we have achieved together and to share my heartfelt thanks with our whole school community.

Firstly, I want to extend a sincere thank you to all our parents and carers for your ongoing support, encouragement, and partnership. Your commitment to your children's learning and your active involvement in school life make a huge difference to what we can achieve together. It has been a real pleasure to see so many of you at events and celebrations throughout the year, and your enthusiasm and positivity mean so much to us.

I would also like to thank our wonderful staff team for their unwavering dedication, care, and hard work. Day in and day out, they go above and beyond to provide the very best for our children—nurturing them, inspiring them, and helping them to grow both academically and personally. My gratitude also extends to our governing body, whose guidance, support, and commitment to the school's vision have been invaluable throughout the year.

As you know, we will also be saying goodbye and thank you to Miss Richards, Miss Gilbert, and of course Mrs Williams as they leave us at the end of this term. Each of them has made a significant contribution to school life, sharing their skills, care, and dedication with the children. We are incredibly grateful for all they have done during their time at All Saints. On behalf of the whole school community, I want to wish them every success and happiness in their next chapters. May God bless them on their journeys ahead.

A very special mention must go to our Year 6 leavers. We are so proud of everything you have achieved during your time with us—from the friendships you have built, to the learning you have embraced, to the many ways you have helped make our school such a caring and inclusive place. As you move on to secondary school, please remember that you will always be part of the All Saints family.

Finally, I would like to wish all our families, children, staff, and governors a truly wonderful summer break. May it be a time of rest, joy, and cherished moments with loved ones. We look forward to welcoming everyone back to school on **Wednesday 3rd September** for the start of a new academic year, filled with new opportunities, learning, and adventures ahead.

Kind regards,

## Family Information

As we break up for the six-week Summer break, I would like to draw your attention to the information below & over the next few pages that hopefully, you will find useful.

There are a number of different events that are available during the holiday period and The Family Information Service in the Vale of Glamorgan Council have collaborated with organisations, who have kindly provided details of their activities and events taking place this summer. From free drop-in sessions, library activities and sports camps, there's lots of activities for families and children to take part in this summer.

Working in partnership with organisations across the Vale, the FIS team have put together a calendar of events suitable for children and young people up to the age of 25, alongside a number of family activities.

The Council's Libraries, Youth Service and the Healthy Living Play and Sports Teams are all offering several free events for children and teens to participate in during the school holidays.

The Summer Holiday Programme 2025 kicks off on Saturday 19 July and will run throughout Summer until 31<sup>st</sup> August. You can find the full programme of events on the Council's website: [www.valeofglamorgan.gov.uk/fis](http://www.valeofglamorgan.gov.uk/fis)

Contact the Family Information Service (FIS) for information on childcare, help with childcare costs (including the Childcare Offer for 3 to 4yr olds), activities and services for children and young people (including The Index for children with disabilities or additional needs):

With the current cost of living crisis, it is hard keeping the children entertained for long periods of time without spending a fortune and we appreciate that many families might find that taking their children out to eat can be very expensive. Luckily, some supermarket cafes and restaurants are now offering discount deals that allow children to eat out for free or for as little as £1. We really hope this helps our parents and carers to save a few £££s throughout the school holidays.
