Parent and Carer Information Letters

You will have received a Parent and Carer Information Letter from your child's class teacher today. This contains important information to help you keep up to date with class news, key dates, what your child will be learning and how you can support their learning at home. If you misplace the letter, copies for each class can be viewed on our school website using the link below: [Parent and Carer Termly Information Letters](#)

Pupil Voice Groups & House Captains

We would like to say a huge well done to all the children who put themselves forward to be elected as part of our school Pupil Voice groups, All Saints Ambassadors and House Captains. We are very proud of all the children and know that the elected members will work hard with our staff, Governors, pupils and community to help improve our wonderful school and continue to make it a special place for everyone.

Macmillan Coffee Morning

On **Friday 25th September**, we will be hosting a Macmillan Coffee Morning for parents and carers at school. Please come along for a cuppa and a slice of cake between **9:00am and 10:15am**. All cash donations will go towards supporting the important work of Macmillan Cancer Support. We would love to see you there!

All Saints Pupils Shine at the ICC Wales

On Wednesday, a group of our wonderful pupils had the tremendous privilege of representing All Saints at the Church in Wales Governing Body meeting at the ICC Wales in Newport. The children performed a selection of joyful iSingPOP songs before representatives from across the Church in Wales, sharing a powerful Christian message of faith, hope and love. Their beautiful singing, enthusiasm and confidence filled the venue with joy and showcased everything that makes our school community so special.

We could not have been prouder of the way the children represented All Saints. They performed brilliantly and demonstrated our school values by being ready, respectful and responsible throughout the day. A heartfelt thank you to Mrs Webb & Mrs Coulthard for helping to organise the visit and for preparing, supporting and accompanying the children, and to Lisa Taylor, Amy Bulpin and the Church in Wales team for giving our pupils this unforgettable opportunity. We are also extremely grateful to Miz, Abi, Jess and everyone at iSingPOP for their continued encouragement and support.

Scoot Fit Family After-School Session

Following the tremendous success of our Scoot Fit sessions last term, we are delighted that Scoot Fit will be returning to All Saints on **Thursday 1st October** for a special after-school session for both children and adults. The previous sessions created a fantastic buzz across the school, with pupils developing their confidence, balance and scooter skills while being active and having lots of fun. This next session offers parents and carers the opportunity to join in too—so please save the date and prepare to get scooting!

Whether you are already confident on a scooter or would simply like to try something new alongside your child, this promises to be a fun and memorable experience for everyone involved. To help us plan for the session, please let the school office know in person, or email office@allsaintspsbarry.co.uk, if you would like to attend. Further information about the arrangements will be shared shortly. A huge thank you to Miss Allen for organising another exciting opportunity for our pupils and families.

Digital Skills Course for Parents and Carers

We are delighted to be offering a five-week Digital Skills course for parents and carers at All Saints, beginning on **Wednesday 23rd September** and running each Wednesday from **9:15am to 11:15am**. The sessions will provide friendly, practical support to help you develop your confidence and learn useful digital skills, with all necessary equipment provided. No previous experience is required, and everyone is very welcome. We really need a good level of participation to make this valuable course a success, so please consider joining us and encouraging other parents and carers to attend. Full details, including the booking link and QR code, can be found on the poster at the end of the newsletter.

Flu Immunisation Programme

The School Nursing Immunisation Team will be visiting All Saints on **Monday 12th October** to provide the annual flu vaccination to children from **Reception to Year 6**. Parents and carers of eligible pupils should have received a letter earlier this week containing further information about the vaccination.

Please click the link below or scan the QR code to complete and return the online consent form as soon as possible and **at least five days before the school immunisation session**. Further information, including school vaccination dates, can also be found using the link below:

A Brilliant Back to School Bounce!

What an amazing afternoon we enjoyed at today's Back to School Bounce! It was wonderful to see so many children and families coming together to celebrate the beginning of the new academic year. From the bouncy castle and giant inflatable slide to the football shootout and PTA tuck shop, there was a fantastic atmosphere filled with fun, laughter and excitement. Events such as this capture the joy, friendship and sense of togetherness that make our All Saints community so special.

A huge and heartfelt thank you to our wonderful PTA for organising another brilliant event and for the considerable time, energy and effort that went into making it such a success. Thank you also to everyone who helped on the day and to all the families who attended and supported the event. We are incredibly fortunate to have such a committed PTA and supportive school community.

Growing Together: Our New Outdoor Learning Area

A huge thank you to Dave and Elin from Keep Wales Tidy for their expertise and practical support in helping us begin the development of our new outdoor area. We are also incredibly grateful to our parents, carers, wider community and brilliant PTA for giving their time and support to help bring the children's ideas to life. A special thank you must also go to Mr Ashworth and Mrs Germon for their tremendous hard work, enthusiasm and commitment throughout the project.

The children have been fantastic and have thoroughly enjoyed getting involved and watching the area begin to grow and develop. This is only the beginning, with work continuing over the coming months to build our polytunnel, plant a wild hedge and introduce further features. The completed space will provide exciting opportunities for outdoor learning, exploration and wellbeing while encouraging pupils to appreciate and care for God's wonderful creation.

Rags 2 Riches Collection

Our next Rags 2 Riches collection will take place on **Friday 9th October**. Donations of clean, dry and reusable clothing, paired shoes and accessories can be brought into school from **Monday 5th October**. The collection will help raise valuable funds for the school while giving unwanted items a new lease of life. Please see the poster at the end of the newsletter for details of what can and cannot be accepted.
