We are learning through the topic Minibeasts. Our work this term will include...

- Mathematics & Numeracy: Fractions, money, time, properties of 2D and 3D shapes, sorting and classifying shapes, regular and irregular hexagons and pentagon, vertices. Temperature, mass and capacity.
- Language, Literacy and Communication- Reading key words, developing reading fluency and expression, continuing with alphabetical ordering, developing reading comprehension skills. Spelling and phonics: Linked to Monster Phonics programme. Writing: using a wider range of connectives (i.e. suddenly, then, after a while, in a flash) and time connectives (i.e. finally next, after that, meanwhile), using describing words, alliteration, similes in writing. Writing posters and invitations, creative stories. Putting full stops in the writing with greater independence. Using ? in writing. Handwriting: correct letter formation, ensuring all tall letter are clearly taller including capitals.
- Cymraeg: likes and dislikes (Dw i'n hoffi /Dw i ddim yn hoffi) with regards to food and hobbies, dillad (clothes), Y tywydd (the weather) and anifeiliaid (animals).
- Spanish: counting to ten, colours and simple greetings.
- Humanities – World Ocean's Day (8th June)- plastic pollution, reduce, reuse, recycle and protecting sea creatures. Local habitats. Countries of the world and exploring Google Earth.
- Health & Wellbeing- Activities based around Action for Happiness: Exercising. Take care of your body. Trying out. Keep learning new things. Jigsaw activities: Relationships (keeping safe, trust, celebrating my special relationships) and Changing me (life cycles, growing, changing me, looking ahead). PE: Ball skills, different ways of handling and passing a ball. Athletics – throwing, running and jumping skills. Team games.
- Science & Technology: Minibeasts and living things – habitats and life cycles, sorting and classifying living things. The impact of the environment on living things. Design and make a bug hotel. Making own branch diagram in Jit on Hwb.
- Expressive Arts: Music: Creating a sound scape to a story; high, middle low music composition and performance. Minibeast music composition. Art: Various media to create images and models based on Minibeasts. Artist Henri Rousseau: Tiger in a Tropical Storm painting. Digital Media: Hwb Jit Animation Jit Draw. Dance: Different actions and movements linked to Minibeasts. Creating own simple sequences. Creating and evaluating a Sut with ti? dance. Making and animal themed animation.
- RVE (Religion, Values an Ethics) : Understanding Christianly: Gospel : Forgiveness and friendship. The story of Zaccheus, Being thankful. The meaning of different prayer. Festivals : What do celebrations teach us about different faiths? Judaism and Jewish traditions. Appreciating creation, responsibility and caring for nature.
 - Our school values this term are Service and Hope.

How you can help your child at home...

- Practice the weekly spellings posted on Doodle Spell.
- Practice spelling the key words from the sheet given out last term, please ask for a new sheet if needed.
- Please undertake lots and lots of reading at home. Read books to your child, reading together their reading scheme books and other books. A bedtime story is still a very important part of your child's development in Year 2.
- Doodle Maths and Doodle Spell often during the week in small bursts. There is also Doodle Language to explore.
- Explore JIT on Hwb, familiarise with the programs on there. Please let me know if your child has saved some work on Jit as I am able to access it and can discuss it with them. We will also be focusing on Jit this term in school.
- Look up facts about minibests, animas, nature, the ocean and other environments. Bring pictures, books, writing and drawings into school to show and talk about
- Download the Pic Collage app and use it to create collages and posters.
- Money – play shop, recognising coins and buying items, change.

Diolch Thank you

Things we need this term...
