## **A Day of Welcome**

In preparation for Refugee Week 2026, All Saints was proud to host a special Day of Welcome, organised and led by our dedicated Faith Leaders. The day provided pupils with opportunities to reflect on the importance of kindness, compassion and hospitality, while exploring what it means to offer a warm welcome to others, particularly those who may have been forced to leave their homes and seek safety elsewhere.

Throughout the day, pupils took part in a range of activities designed to promote empathy, understanding and a sense of belonging. Inspired by this year's Refugee Week theme, children considered how small acts of welcome and friendship can help build stronger, more inclusive communities. The day reflected our Christian values and our commitment to ensuring that everyone feels valued, respected and loved within our school community.

We are incredibly proud of our Faith Leaders, who planned and delivered the day with maturity, enthusiasm and compassion. Their leadership helped create a meaningful experience for pupils across the school and provided a wonderful opportunity to celebrate the values that make All Saints such a caring and supportive community. As we look ahead to Refugee Week next week, we are reminded that by choosing kindness and extending a hand of friendship, we can all play a part in creating places where everyone feels safe, welcomed and able to flourish.

## **Welcoming Our New Nursery Families**

Yesterday, we were delighted to welcome the children and families who will be joining our Nursery in September for our Nursery Open Day. It was wonderful to see so many excited faces as our newest learners explored their new environment, met staff and began taking their first steps as members of the All Saints family.

Starting school is such an important milestone, and we are committed to ensuring that every child enjoys a happy and successful transition into school life. We would like to thank all of the families who attended and extend our sincere thanks to our wonderful Nursery team for all of their hard work in preparing for and hosting the event. Their warmth, care and dedication ensured that families received a fantastic introduction to life at All Saints.

We look forward to officially welcoming our new Nursery children in September and seeing them flourish as part of our caring and supportive school community.

## Year 6 Enjoy a Magical Trip to Matilda

Our Year 6 pupils enjoyed a truly unforgettable visit to the Bristol Hippodrome to watch the award-winning musical *Matilda*. The children were captivated by the incredible performances, spectacular staging and memorable songs, and thoroughly enjoyed experiencing live theatre together as they continue to make special memories during their final weeks at All Saints.

As always, our pupils were outstanding ambassadors for the school, demonstrating excellent behaviour, respect and enthusiasm throughout the day. They were a credit to themselves, their families and the school, receiving many compliments for their conduct and maturity. Experiences such as these create memories that will stay with the children long after they leave primary school.

A huge thank you must go to Mrs Webb, Miss Jones and Mrs Coulthard for giving up their time and ensuring that the children had such a wonderful experience. Their care, support and commitment helped make the day so special, and we are incredibly grateful for all they do in creating these memorable opportunities for our pupils.

## Updated School Lunch Menu

Parents and carers are reminded that the latest Big Fresh Catering menu is now available to view on the school website. The menu offers a wide range of healthy, nutritious and delicious meal choices, all freshly prepared and designed to meet the Welsh Government's healthy eating standards. ([Big Fresh Catering Company](#)).

Families can access the updated menu, along with allergen information and further details about school meals, by visiting the Lunch Menus section of the school website. We encourage parents and carers to take a look with their children and discuss the tasty options available each day. [School Lunch Menus](#)
