Year 6 End-of-Year Show – Matilda the Musical Junior

Excitement is continuing to build for our Year 6 production of *Matilda the Musical Junior*, with tickets now on sale and selling fast! If you haven't already booked your seats, we encourage you to do so as soon as possible to avoid disappointment. Our talented Year 6 pupils have been working incredibly hard in rehearsals and cannot wait to share this spectacular performance with you.

Tickets are £5 and can be booked online until 12:00pm on Monday 6th July using the link below. Families can book up to six tickets per performance, with reserved seating allowing you to choose your seats in advance.

Book your tickets here: [Year 6 Matilda Ticket Booking](#)

Performance Dates: Tuesday 7th July – 6:00pm
Wednesday 8th July – 6:00pm

Children should arrive at school at 5:30pm on the evening of their performance and can be collected from the Year 5/6 classrooms at the end of the show (approximately **8:00pm**, subject to confirmation). We look forward to welcoming you to what promises to be a truly magical and memorable celebration of our wonderful Year 6 pupils as they prepare for the next stage of their journey. 🎭🌟

Landing Afternoon – Thank You!

A huge thank you to all of our parents, carers, grandparents and family members who joined us for our Summer Term Landing Afternoon yesterday. It was wonderful to welcome so many visitors into school and to see our classrooms filled with smiling faces as the children proudly showcased the fantastic work they have completed during their Summer Term topics.

The afternoon provided a wonderful opportunity for families to celebrate the children's learning and achievements, and it was lovely to see so many adults getting involved in the activities alongside the pupils. Thank you for your continued support and encouragement—it means so much to the children and staff. We are incredibly proud of all that our pupils have achieved this term and appreciate everyone who helped make the afternoon such a special and memorable occasion.

Looking ahead, the children are now excited for their upcoming Take Off Day, when they will meet their new class teacher and share their ideas and thoughts about what they would like to explore in September's new topic, Hunaniaeth (the Welsh word for *Identity*). This is always a fantastic opportunity for pupils to help shape their future learning and begin looking forward to the new academic year.

Supporting Children to Stay Safe and Smart Online

In recent weeks, the news has once again highlighted the growing concerns surrounding children's use of social media, online content and the influence of technology on young people's wellbeing. At All Saints, we recognise that keeping children safe extends far beyond the school gates, and we remain committed to working closely with families to help our pupils navigate the digital world safely, responsibly and with confidence. As part of this commitment, we are delighted to be welcoming Dr Sangeet Bhullar, Executive Director of WISE KIDS, to school on Monday 13th July to deliver a series of sessions for Year 4, Year 5 and Year 6 pupils, helping them to become not just safe online, but digitally smart. The sessions will explore topics including social media, AI, online behaviour, peer pressure, misinformation and digital wellbeing, empowering children to make positive choices and seek help when needed.

We would particularly encourage parents and carers to attend the FREE WISE KIDS Parent and Carers Workshop, which will take place from 3:00pm to 4:00pm. This supportive and practical session will provide valuable advice on parental controls, setting boundaries, positive role modelling and understanding the online world our children are growing up in. Recognising that childcare can often be a barrier to attendance, Miss Allen has kindly organised a supervised crèche-style provision for children whose parents and carers are attending the workshop, ensuring that as many families as possible are able to benefit from this important session.

Places can be reserved by scanning the QR code or by completing the online form. We are incredibly grateful to Dr Bhullar and WISE KIDS for supporting our school community in this way. By working together, we can continue to ensure that our children are equipped to be Ready, Respectful and Responsible citizens, both in the real world and online.

National Cleft Lip and Palate Awareness Day

One of our brilliant pupils has helped to organise a National Cleft Lip and Palate Awareness Day in school to help raise awareness and understanding. Pupils and staff have been invited to wear purple on this day, as this is the colour linked with cleft lip and palate recognition. Children may wear summer clothes, with a purple theme, to show their support.

This is a lovely opportunity for our school community to learn more, show support and celebrate the importance of kindness, inclusion and understanding for everyone. This will take place on **Monday 13th July**.

Join the Big Barry Summer Clean!

Families are invited to take part in the Big Barry Summer Clean, a community initiative organised by Barry Town Council, the Vale of Glamorgan Council and Keep Wales Tidy. A series of litter-picking events will take place across Barry throughout the summer holidays, offering a fantastic opportunity to help keep our local community clean while spending time together as a family. Please see the flyer attached at the end of this newsletter for full details of the dates, venues and booking information. We hope many of our All Saints families will be able to get involved and support this fantastic community initiative.
