Year 6 End of Year Show – Matilda Jr.

What an unforgettable week it has been as our Year 6 pupils took to the stage to present the spectacular *Matilda Jr.* Over two wonderful evenings, the children entertained packed audiences of parents, carers, family members, governors and friends with a truly outstanding production that showcased not only their acting, singing and dancing talents but also their confidence, resilience and teamwork. Every performance was filled with energy, humour and enthusiasm, and it was clear to see the enormous amount of dedication and hard work that had gone into preparing such a polished and professional show. The ovations and wonderful feedback received from audience members were thoroughly deserved and reflected just how special the performances were.

Productions such as these simply would not be possible without the commitment and dedication of so many people. We would like to thank everyone who came along to support the children, helping to create such a fantastic atmosphere across both evenings. A very special thank you goes to Mrs Webb, whose vision and enthusiasm inspired the whole production. We would also like to recognise the commitment of Mrs Coulthard and Miss Jones, who worked tirelessly alongside Mrs Webb, to bring that vision to life. Their creativity, patience, encouragement and countless hours of rehearsal enabled the children to flourish and produce a performance they will remember for many years to come. We are immensely proud of every child who took part and of the memories they have created together as they prepare to leave All Saints.

Year 6 Leavers' Service at Llandaff Cathedral

Our Year 6 pupils recently had the privilege of attending the Year 6 Leavers' Service at Llandaff Cathedral, joining children and staff from Church in Wales schools across the Diocese to celebrate this important milestone in their educational journey. Set within the beautiful surroundings of the cathedral, the service provided a meaningful opportunity to reflect on the children's time in primary education, give thanks for the experiences and friendships they have enjoyed, and look ahead with hope and confidence to the exciting opportunities that await them in secondary school.

We are incredibly proud of each and every one of our Year 6 pupils and hope they will look back on this special service as a fitting and memorable way to mark the end of their primary school journey before embarking on the next exciting chapter of their education.

Texan Mission Team Visit

On Thursday morning, we were delighted to welcome the Texan Mission Team to All Saints for a special visit. The team led a whole-school assembly before spending the rest of the morning working alongside pupils in classrooms, sharing their faith through engaging activities, stories and discussions. One of the highlights of the morning was everyone learning the famous song "Deep in the Heart of Texas," which brought lots of smiles, enthusiasm and laughter as pupils and staff joined in together.

We would like to extend our sincere thanks to Becky Morgan for coordinating the visit and to Mrs Williams for organising the morning so successfully. We are also incredibly grateful to the entire Texan Mission Team for giving their time to visit our school and for making such a positive and lasting impression on our pupils and staff.

National Cleft Lip and Palate Awareness Day

A reminder that on Monday 13th July, All Saints will be marking National Cleft Lip and Palate Awareness Day. We are incredibly proud that one of our pupils has taken the lead in organising this special event to help raise awareness and understanding across our school community.

Pupils and staff are invited to wear purple, the recognised colour for cleft lip and palate awareness, along with their summer clothes, to show their support. We hope this will be a meaningful opportunity for everyone to learn more, celebrate inclusion and demonstrate the kindness, compassion and understanding that are at the heart of our school community.
